COLLEGE OF INSURANCE

INSURANCE INSTITUTE OF INDIA (III)

Formerly known as federation of insurance institutes was established in 1955, for the purpose of promoting insurance education & training in the country. In its role as a leading education and training provider, III is closely associated with all the segments of the insurance industry which includes insurance regulatory authority of india, public and private sector insurance companies, surveyors, third party administrators, brokers, agents and other intermediaries. The activities and programs of the institute assist people in the insurance industry, to acquire the skills and expertise required to meet the growing needs of multiple customers with the objective being to enhance professional insurance service to the millions in the country.

ASSOCIATION OF PRIVATE DETECTIVES AND INVESTIGATORS INDIA (APDI)

The first and foremost national organization whose members are the leaders of their profession of investigation. APDI is headed by Kunwar Vikram Singh as national chairman and Mr. Subhash Wadhawan, the national president. APDI has duly formulated code of ethics for it's members. There are specially empowered committees to take care of various aspects of enrolment and discipline. APDI (disciplinary & appeal) rules are in force to take action against defaulting members. APDI is officially recognized by the GOI as the representative body of private detectives in India.
